Genesis 12:3 I will bless those who bless you and curse those who curse you, the zionists believe we Muslims are cursed by their false god for not wanting zionism. Iran is wealthy. A note is that this verse is speaking of Abram.

Genesis 47:13-31 false verses that Prophet Joseph foretold of a famine in Canaan, the Pharaoh listened. Prophet Joseph bought all the grain and favorite it to the Arabs in exchange for their land knowing the famine would strike. Prophet Joseph in the story usurped the Arabians that were not Israelites. Usury is illegal in the Islamic faith. The zionists use this story to usurp wealth and land withholding it from the public to get their goal of the “third” temple.

Exodus 3:22 a false verse about plundering. This is where the zionists believe they can plunder.

Exodus 20:1-18 make your own peace with your enemies. If they do not accept then slaughter every last one of them as the Lord has commanded, you or they will cause you to worship their god and will cause you to betray your Lord. You may take their women and children as plunder which means turn them against other nations. There is where the zionists also get their inspiration for world domination.

Leviticus 24:13-16 blasphemy death sentence law, the talmudists don’t support these verses in their countries. In the zionist state, they only imprison blasphemers. The verses clearly say they are to be put to death.

Deuteronomy 7:23-24 their kings will serve you, you will destroy each nation. This is where the zionists get their inspiration for world domination.

1 Kings 8:1-61 during Prophet Sulaiman's Temple, people during that time had a connection with our Lord through the leadership of Prophet Sulaiman. There are two false verses here that the Lord said the Prophet Sulaiman’s Temple would last forever. These two false verses mean that the zionists will believe Second Jerusalem in Palestine is theirs for life no matter what since the zionists believe the Lord spoke to them alone in these two false verses.

Ezra 1:1-4 a false verse of Cyrus had given the Muslims the right to build a Temple in Palestine to be a temple after Prophet Sulaiman’s. There is clear historical evidence that Muslims lived in Babylon under captivity, the Israelites did exist. Also, they could not have been a nation or tribe from Babylon, they were in captivity. That’s not proof that the Israelites were

from Arabia, but we know the Israelites weren’t a political/religious/ethnic group from Babylon that was taken prisoner for treason. The Muslims took the names of towns and villages from their Bible and put them in areas in Palestine, the land was new but the names for the land were not. The zionists now claim the land renamed is part of prophecy that’s why they want Palestine and not North and South Arabia, they know where the events happened. No, I will not debate this with someone.

Job 12:23 God makes nations great and destroys them. "Make America great again", Donald Trump and Ronald Reagan's campaign slogan.

Psalms 59:5 show no mercy, this means to never cry in front of someone who is not pro Palestine if you must cry about Palestine if you are that type of person. This would give an enemy the ability to use this against you if ever need be. There are camera phones, and someone can just record your cries which means you sinned having someone do something cynical to you. The zionists who show up to these rallies are already smirking at all of this. Also, if someone who hates you brings up your faults, change the subject on them and instantly make it be about them when talking to them.

Psalms 78:69 a false verse that the earth shall last forever. This is where the zionists get their belief that their “third” temple shall be on the earth forever.

Isaiah 2:2-3 this is a prophecy for Temple Mount in Jerusalem South Arabia. Temple Mount means the Temple on the mountain. Jerusalem in South Arabia is full of mountains. The zionists claim there are three different locations in Second Jerusalem in Palestine.

Isaiah 5:20 woe to them who call evil good and good evil; that put darkness for light, and light for darkness. This is what the zionists do.

Isaiah 45:17 the zionists believe that they will all be a part of their world to come.

Isaiah 60:13-14 the zionists claim these verses apply to Lebanon and Syria as “oppressors.” They will bow down at your feet. These are events that already happened in Ancient Israel in Arabia, these verses are not prophecies.

Isaiah 60:21 this verse is a false prophecy that all the Israelites will be righteous and will possess the land of Ancient Israel in Arabia forever. The

zionists use this verse to claim they will rule over the Nile to the Euphrates forever.

Isaiah 65:17-25 the zionists believe they will have a new earth where they rule Second Jerusalem in Palestine.

Jeremiah 31:10 the zionists believe they were scattered and then were brought back to Palestine after Second Israel. Prophet Jeremiah wrote this verse in Arabia during Prophet Sulaiman Temple’s time.

Ezekiel 34:31 the zionists believe they are above mankind because they translate “holy” as meaning they are above mankind.

Ezekiel 44:6-8 the zionist claim this is a prophecy for them to build a “third” temple where they will copy the practices performed that the Israelites did during Sulaimans Temple. The problem with this is how do the zionists know these verses are not talking about Herod’s temple which they claim is part of their beliefs?

Daniel 2:44 the zionists believe that they will have a kingdom that will endure.

Daniel 7:14 the zionists believe they will have a kingdom lead by their false messiah that will be served by all nations.

Daniel 9:25 the zionists cite this verse to claim their false messiah will rebuild Jerusalem and Prophet Sulaiman’s Temple’s walls.

Miach 4:1-8 the zionists believe their own Jerusalem shall be made for them that many will go to.

Zechariah 14:9-11 these are false verses, this will not happen. There will be a Final Day. The zionists believe they will be exiled from Second Jerusalem, and all will believe in their false god. They believe Second Jerusalem will never be destroyed.

Zechariah 14:12 the zionists believe all nations will go against the zionist state after a plague.

Malachi 3:1-5 the zionists believe their false god spoke to Malachi and Malachi cleared out Herod’s temple of righteousness. The zionists do not know which Prophet Malachi is.

Matthew 5:33-37 never swear by an oath, the masonic U.S. government requires you to in court.

Matthew 24:27 lighting flashes from the east to the west, Masons say they are "traveling east"

Romans 11:26-28 according to Paul, all religious Jews who do not believe on Jeshu as their Messiah will be saved, his false Arabian god’s covenant is with them. Christians read this writing to this day that the zionist state will convert to Christianity. It’s divided if Christians feel they have to support the zionist state from this writing. This is in reference to Acts 16:31 believe and be saved. Paul only allowed for this because he wanted to recruit people for his occultist beliefs, and it still didn’t work.

Quran 3:67 Ibrahim was neither Jew nor Christian he was a Muslim. This means the Children of Israel were Muslim because they were of his physical seed. If the zionists want to say they are of the Jewish faith, they are going against the Prophets since the Prophets are Muslims and not Jews. It’s the Prophets against the zionists. It matters not whether Khazars or Arabs are the physical seed of Ibrahim.

Quran 17:104 since Moses is the leader of the Muslims, Allah is speaking to the Muslims to enter the land of Mecca. It could be said to those who were both the seed of Abraham and Muslims. The zionists are not Muslim meaning this verse does not apply to them. People will be gathered in Arabia when the end of the world is near.

After Allah spoke to Prophet Moses at Mount Sinai, the zionists goal is to conquer the world through the two Talmud’s formed by the 70 Rabbis.
